EXPERIENCIA LABORAL

POLYGON.US

June 09 of 2022 - March 31 of 2023

I rectified poor server-side rendering practices while working with React, ensuring that the benefits of client-side rendering with this technology were maximized.

AISD

April 03 of 2023 - October 27 of 2023

Optimization of the database connection, enhancing efficiency in managing connections during requests.

EDUCATION

ACADEMIA GEEK

February 21 of 2020 - May 20 of 2020 - (280 hours).

Front End specialized course.

I was highlighted among the top 3 students

ALBRIGHT INSTITUTE

September 25 of 2023 - Current.

General English.

With 100% attendance, I am highlighted for participating and paying attention in class

LANGUAGES

Elementary English

Native Spanish
